Royal Street Communications, LLC ("Royal Street") is licensed to provide Commercial Mobile Radio Service ("CMRS") and does not plan to offer telecommunications services to customers in categories other than CMRS. Royal Street received its licenses in December of 2005, has not commenced commercial operation to date and does not possess customer proprietary network information ("CPNI"). Consequently, (a) Royal Street does not use CPNI for internal marketing purposes; (2) Royal Street does not share CPNI with affiliates or with third parties; and, (3) Royal Street is not required to and does not maintain either an "opt-in" or "opt-out" system with respect to CPNI.

Royal Street's Chief Executive Officer, Robert A. Gerard, understands that Part 64, Subpart U of Title 47 of the Code of Federal Regulations ("FCC CPNI Rules") governs Royal Street's use and control of any CPNI. Mr. Gerard is the certifying officer of Royal Street for CPNI purposes. Mr. Gerard also is the individual in the organization responsible for establishing procedures to maintain the security of the CPNI of Royal Street's customers. Service to the public will not be initiated and CPNI will not be gathered unless and until adequate procedures are in place to ensure compliance by Royal Street with the FCC CPNI Rules.
